Jefferson County Planning Commission Vacancies

Help shape our community’s future growth & development! There are two positions open for the Jefferson County Planning Commission in District 1 and 2. Both are four-year terms and will expire in March 2019. See the district map online here.

The Planning Commission assists the Department of Community Development and prepares advisory recommendations to the Board of County Commissioners. The group provides a forum for public review of land use issues and planning proposals such as comprehensive and use-specific goals, policies, regulations and zoning designations that guide development activities around the County. The group does not review project-specific permits. Recent efforts have addressed these local issues:

- Critical Area/Agricultural Buffers
- New Proposed Marijuana Regulations
- Sign Code Revisions

Meetings are typically held the first Wednesday of each month at 6:30 PM at the Tri-Area Community Center in Chimacum with some meetings held at alternate locations around the County.

TO APPLY: Submit a completed Volunteer Application Form as soon as possible to: Jefferson County Board of Commissioners, PO Box 1220, Port Townsend, WA 98368 or JeffBoCC@co.jefferson.wa.us. Each position is open until filled. Review of applications will begin immediately.
