APPENDIX G

Fire District No. 3 Correspondence
PORT LUDLOW FIRE & RESCUE
December 10, 2003

Lyn Keenan, Senior Planner
ReidMiddleton
728 134th Street SW Suite 200
Everett, WA. 98204

Dear Lyn:

RE: Fire Department Response Capability to Port Ludlow

Jefferson County Fire Protection District No. 3 is staffed with a combination of career and volunteer Firefighter / EMT'S. The District has three fire stations strategically located throughout the District.

Station No.31
Station No.31 is located at 7650 Oak Bay Road. Station No. 31 is the nearest fire station to the core resort area. (Marina, hotel, burner point). Station No. 31 is manned 24 hours per day 365 days per year with a minimum of two people a Lieutenant / EMT and a Firefighter / EMT. Many shifts Station No. 31 is manned with three people a Lieutenant and two Firefighter / EMT...

During the weekdays, Monday through Friday, the Fire Chief is stationed at Station No. 31. In the event of an incident to the core resort area, an immediate response will be dispatched from Station No. 31. The typical response time will be about 2-3 minutes from time of alarm. Additional manning at Station No. 31 is augmented by a volunteer crew comprised of 5 people who respond from their residences in the Master Planned Resort. Station No.31 has an apparatus compliment of two class A pumper with a combined pump capacity of 2750 Gallons per minute. In addition to the pumers are two Advance Life Support Ambulance vehicles, one Type 6
wildfire engine and two support vehicles. A typical average immediate response from Station No. 31 is three with an additional average of one volunteer.

Station No.32
Station No. 32 is located on Alder St. in Paradise Bay. Station No. 32 is the second nearest fire station to the core resort area. Station No.32 is manned by an all volunteer comprised of a Company Officer and two Firefighters. In the event of an incident at the core resort area Station No. 32 will provide a volunteer response 30% of the time. The typical response time for Station No. 32 is 7-8 minutes. Station No. 32 has a single A pumper capable of pumping 1250 gallons per minute. Engine No. 32 is also licensed as an aid car. A typical average volunteer response from Station No.32 is one Firefighter.

Station No. 33
Station No. 33 is located at 101 South Point Road. Station No. 33 is the third nearest fire station to the core resort area. Station No.33 is manned with one resident Firefighter / EMT and five volunteers. In the event of an incident at the core resort area Station No. 33 will provide a volunteer response 45% of the time. The typical response time for Station No.33 is 8-10 minutes. A typical average volunteer response from Station No. 33 is two Firefighters.

Station No. 11
Jefferson County Fire District No. 1
Station No.11 is located in Chimacum at 9193 Rhody Drive. Station No. 11 is operated by Jefferson County Fire District No. 1 and is the fourth nearest fire station to the core resort area. Station No. 11 is dispatch automatically for any incident larger than an emergency medical call in the core resort area. Station No. 11 is manned 24 hours per day 365 days per year, with two Firefighter / EMT. An immediate response from Station No, 11 will typically take 7-9 minutes. Station No. 11 will send a class A pumper with a pump capacity of 1500 gallons per minute, immediately. One air / support truck manned with volunteers, and one Chief Officer.

Station No. 81
Kitsap County Fire District No. 10
(Kingston)
Station No. 81 is located in the Kingston area of Kitsap County. Station No.81 is called immediately to Port Ludlow for any incident that sounds like it has the potential of overwhelming initial response teams. Station No. 81 is manned 24 hours per day 365 days per year. Station No. 81 will provide an
immediate response with a minimum of one Captain and three Firefighter / EMT personnel. An immediate response from Station No. 81 will take 10-15 minutes. Station No. 81 will send a class A pumper with a pump capacity of 1500 gallons per minute with four personnel.

Station No. 77 — Kitsap County Fire District No. 18 Poulsbo
Station No. 77 is located in the Poulsbo area on Falkner Road. Station No. 77 is manned 24 hours per day 365 days per year. Station No. 77 will also be called immediately to Port Ludlow for any incident that sounds though dispatch as having a potential of overwhelming the initial response teams. An immediate response from Station No. 77 will take 10-15 minutes. Station No. 77 will send a class a pumper with a pump capacity of 1250 gallons per minute with three people.

Other resources can and would be called from Jefferson County Fire Protection District No. 2, 4, 5, 6 and the City of Port Townsend. And, resources from Clallam County Fire Protection District No. 3 Sequim are also available on needs basis.

I hope this will be understandable to you and if you have any questions, feel free to call 360 437-2236.

Sincerely yours

Wayne Kier, Fire Chief
