JEFFERSON COUNTY DCD

Dear Kevin,

I wanted to thank you for meeting with Port Staff last week to clarify some of the issues raised about our modified UDC suggested changes. I believe that both staffs have worked diligently to identify potential conflicts for development around Jefferson County International Airport. Over the past few months, in the spirit of our settlement agreement both staffs have continued to work collaboratively to modify and scale back the Port's original proposal. We support these modifications to the UDC and comp plan language and are looking forward to implementation of these changes.

Sincerely,

Larry Crockett
Executive Director
