

To implement the Voluntary Stewardship Program:

1. Make available a summary document to the public on the voluntary stewardship program including the watershed concept.
2. Confer with parties and provide public notice of the pending decision to opt in/out and watershed selection.
3. Open a public comment period to the County Commissioners.
4. Public Hearing before the County Commissioners.
5. Deliberations of the County Commissioners.
6. Decision of the County Commissioners to **opt out** or not participate in the program, or
7. Decision of the County Commissioners to **opt in** by resolution or ordinance.
8. Deadline: January 22, 2012
