

Planning Commission Volunteer Needed

Help shape our community's future growth & development! There is a vacancy on the Jefferson County Planning Commission service for a District #1 (Port Townsend area) representative. See the new map for revised district boundaries.

The Planning Commission assists the Department of Community Development and prepares advisory recommendations to the Board of County Commissioners. The group provides a forum for public review of land use issues and planning proposals such as comprehensive and use-specific goals, policies, regulations and zoning designations that guide development activities around the County. The group does not review project-specific permits. Recent efforts have addressed these local issues:

- Local food resiliency;
- Building size and impervious surface limits for public purpose facility expansion;
- Sexually oriented business regulations; and
- Requirements for locating underground storage tanks in critical aquifer recharge areas.

Meetings are currently held the first Wednesday each month at 6:30 PM.

TO APPLY: Submit a completed [Volunteer Application Form](#) to Jefferson County Board of Commissioners, PO Box 1220, Port Townsend, WA 98368.
