

## WILL ANOTHER PUBLIC HEARING BEFORE THE BoCC BE REQUIRED?

Use found within the SMP	LA-SMP	Ecology recommends or requires	County adopts	Is a local hearing Required?
Issue #1	Prohibited use	Prohibited use generally, some CUP exceptions	Prohibited use generally, some CUP exceptions	No
Issue #2	Prohibited use	Allowed Use	Allowed use	No
Issue #3	Prohibited use	Prohibited Use	Prohibited use, some CUP exceptions	Would be wise to have a local hearing because it differs from what Ecology will approve.
Issue #4	Allowed use	Prohibited Use	Allowed use	Would be wise to have a local hearing because it differs from what Ecology will approve.
Typos, clarification	Typos and need for clarification discovered when Ecology reviews	Corrections proposed to fix typos and to clarify so as to achieve unified terminology	Corrections adopted	No

Note well that for Issue #3 and Issue #4 the Dept. of Ecology would be obligated to either “approve,” “send back” or “reject” because what Jefferson County wants to adopt and place into its development regulations (Title 18 of the County Code) differs from what Ecology has said they are willing to approve. See RCW 90.58.090(2)(e)(i) and (e)(ii).
