

1989 SMP Reference Numbering

The current Shoreline Master Program is codified as Section 18.25 of the Jefferson County Code (JCC) but also exists as a stand-alone convenience document (typically with a light blue cover) that predates the creation of the Unified Development Code (UDC). The table below helps the reader convert the 'pre-UDC' section numbers to the current JCC location of key shoreline topics:

SMP Topic	Existing SMP Section Reference	Existing SMP JCC Reference
Purpose	1.20	18.25.020
Goals	1.20	18.25.020
Jurisdiction	3.10	18.25.050
Applicability	3.30	18.25.070
Exemptions	3.40	18.25.080
Designations and Classifications	4.10	18.25.100
Shorelines of Statewide Significance	4.30	18.25.230
Advertising (Signs)	5.10	18.25.260
Agriculture	5.20	18.25.270
Aquaculture	5.30	18.25.280
Boating Facilities (Boat launches)	5.40	18.25.290
Boating Facilities (Docks, piers, floats and lifts)	5.60	18.25.310
Boating Facilities (Marinas)	5.10	18.25.360
Boating Facilities (Mooring buoys)	5.130	18.25.380
Commercial Use	5.50	18.25.300
Dredging	5.70	18.25.320
Forest Practices	5.80	18.25.330
Industrial and Port Uses	5.90	18.25.340
Landfill (Fill and Excavation)	5.100	18.25.350
Mining	5.120	18.25.370
Recreation	5.150	18.25.400
Residential Development	5.160	18.25.410
Transportation and Parking	5.190 & 5.140	18.25.390 Parking 18.25.440 Transportation
Shore Defense (Shoreline Stabilization)	5.180	18.25.430
Utilities	5.200	18.25.450
Non-conforming uses	n/a	JCC 18.20.260
