**NOTICE OF PUBLIC MEETING
JEFFERSON COUNTY
SHORELINE POLICY ADVISORY COMMITTEE**

The Jefferson County Shoreline Policy Advisory Committee (SPAC) will meet on **Tuesday, September 26, 2006, at 10:00 a.m.**, at the WSU Community Learning Center, Spruce Room, Shold Business Park, 201 W. Patison, Port Hadlock. The meeting is open to the public. The committee consists of citizen stakeholders from the community representing various interest sectors along with representatives of local governmental entities, state agencies and tribal co-managers. The SPAC’s ongoing agenda is to utilize the scientific information prepared by project staff, consultants and the Shoreline Technical Advisory Committee as the basis for providing input to the development of proposed goals, policies, environment designations and regulations for a comprehensive update of the Jefferson County Shoreline Master Program (SMP). The SMP update is mandated by Washington State’s Shoreline Management Act (RCW 90.58) and the 2003 SMP Guidelines (Chapter 173-26 WAC). Planning Commission recommendation, Board of County Commissioners review, and subsequent submittal to Washington Department of Ecology are expected to be complete by June 30, 2007.

For further information, see the project webpage at <http://www.co.jefferson.wa.us/commdevelopment/ShorelinePlanning.htm> or contact Michelle McConnell, SMP Update Project Coordinator, at the Department of Community Development, (360) 379-4484, or mmccconnell@co.jefferson.wa.us.
