

**JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS**

AGENDA REQUEST

TO: Board of Commissioners
FROM: Terry Logue
DATE: May 10, 2010
RE: Permit to Use County Property – Farmer’s Market

STATEMENT OF ISSUE:

The permit to use county property will allow the Farmer’s Market to install a temporary power pole on county owned property annually from May through December.

ANALYSIS:

Providing a permit to the Farmer’s Market for a temporary power pole will allow the Farmer’s Market and their vendors to have access to electricity directly through PSE. This will eliminate them accessing electricity through the Port Townsend Community Center.

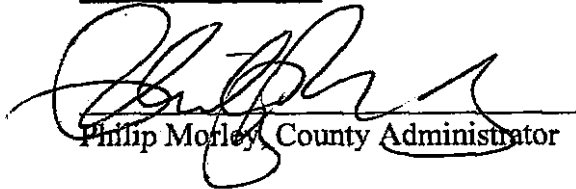

FISCAL IMPACT:

The Farmer’s Market will incur all costs associated with installing, operating and removing the temporary power pole.

RECOMMENDATION:

Approve and authorize the Board of County Commissioner Chairman to sign the Permit authorizing the use of County owned property to the Farmer’s Market.

REVIEWED BY:

Philip Mofley, County Administrator
