Agenda Request

To: Board of Commissioners
Philip Morley, County Administrator

From: Frank Gifford, Public Works Director *FG*

Agenda Date: April 25, 2011

Subject: Bid Opening, Willoughby Creek Bridge Emergency Repair, Upper Hoh Rd. M.P. 3.50, Federal Aid Project No. ER-0902(318), County Project No. XO1825

Statement of Issue: Bid opening at 10:15 a.m. or shortly thereafter for the Willoughby Creek Bridge Emergency Repair, County Project No. XO1825.

Analysis/Strategic Goals/Pro's & Con's: High flows in Willoughby Creek, beginning on January 6, 2009 scoured the west bridge approach, causing damage to the riprap abutment protection and threatening the approach roadway. Existing bank armoring upstream of the bridge was also damaged. Public Works has completed the plans and specifications for a permanent repair to stabilize the approach roadway and reconstruct the damaged bank armoring.

Fiscal Impact/Cost Benefit Analysis: The Engineer's Estimate is \$554,488. This will be funded at 86.5% by the Federal Highway Administration, and 13.5% by the County Road Fund.

Recommendation: The Board is requested to open the bids and direct Public Works to review the bids and make a recommendation for award.

Department Contact: Monte Reinders, County Engineer, 385-9242.
