**Statement of Issue:** A Local Agency Agreement Supplement #2 with the Washington State Dept. of Transportation is necessary in order to obligate construction phase funds from the existing Federal Highway Administration (FHWA) grant for the Queets Bridge Painting project.

**Analysis/Strategic Goals/Pro's & Con's:** This project will consist of repainting the steel bridge girders and bracing members of the Queets Bridge. The work will include minor girder web bracing, abrasive blasting, treatment of pack rust, containment of wastes, and repainting with a primer and top coat paint system.
