

Jefferson County
Board of Commissioners
Agenda Request

To: Board of Commissioners
Phillip Morley, County Administrator

From: Frank Gifford, Public Works Director *FK (for)*

Agenda Date: June 3, 2013

Subject: Road closure for construction on Embody Road,
County Road No. 512809, M.P. 0.3

Statement of Issue:

Resolution of Temporary Road Closure for the Embody Road Culvert Replacement Project to facilitate construction of improvements.

Analysis/Strategic Goals/Pro's & Con's:

A temporary road closure is necessary to facilitate construction work for this project. The closure will increase safety for construction workers and the motoring public, as well as eliminate potential construction delays (see map attached).

The closure will be in effect for one (1) working day, Wednesday, September 18, 2013. Embody Rd. will remain open to pedestrian traffic only during the construction period.

Fiscal Impact/Cost Benefit Analysis:

The proposed road closure will improve the efficiency and economy of this construction project.

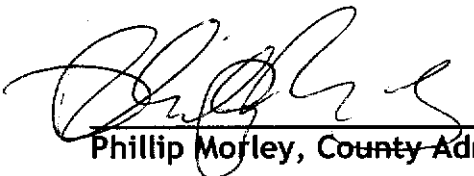

Recommendation:

Public Works recommends that the Board approve the attached Resolution and return one copy to Public Works (attn. Dale Seward).

County Road No. 512809 x

RESOLUTION NO. _____

WHEREAS, planned construction work for the Embody Road Culvert Replacement Project (Ludlow Creek tributary), Milepost 0.3, County Road No. 512809, will cause interruption and unavoidable delays to traffic, and

WHEREAS, potential hazard to the motoring public and the construction workers exists, and

WHEREAS, a pedestrian pathway around the work area will be provided and maintained throughout the construction and closure period, and

WHEREAS, Chapter 47.48 R.C.W. authorizes closure of roads,

IT IS HEREBY RESOLVED that said Embody Road shall be closed at milepost 0.3 to all vehicular traffic for one (1) working day on or about September 18, 2013, with proper advance notification posted in the local newspaper and on roadway signage.

ADOPTED THIS _____ DAY OF _____, 2013.
