JEFFERSON COUNTY BOARD OF COUNTY COMMISSIONERS

AGENDA REQUEST

TO: Board of County Commissioners
Philip Morley, County Administrator

FROM: Tami Pokorny, Environmental Health Specialist II

DATE: July 1, 2013

SUBJECT: Agenda Item – Request to Reappoint John Richmond, Jill Silver and Chiggers Stokes to the North Pacific Coast Marine Resources Committee (NPC MRC)

STATEMENT OF ISSUE:

Water Quality Staff and NPC MRC coordinator Richard Osborne request that John Richmond, Jill Silver and Chiggers Stokes be reappointed to serve additional staggered 2-year terms on this committee as Jefferson County citizen representatives.

On September 8, 2009 the BoCC approved a joint resolution with Clallam County to establish the NPC MRC to understand, steward, and restore the marine and estuarine ecological process of the North Pacific Coast of Washington in support of ecosystem health, sustainable marine resource-based livelihoods, cultural integrity, and coastal communities.

ANALYSIS/STRATEGIC GOALS/PRO'S and CON'S:

Three existing vacancies on the NPC MRC were advertised in *The Jefferson County Leader* on June 5 and in the *Forks Forum* on June 6. Three people expressed interest by the June 19 deadline: John Richmond, Jill Silver and Chiggers Stokes.

All three of these applicants have served on the committee previously and have contributed substantially to its work and accomplishments. Mr. Richmond, as a retired professional land surveyor and civil engineer, would prefer to represent Economic and/or Scientific Groups on the committee. Jill Silver of 10,000 Years Institute and Weed Board member has requested to continue as the Conservation/Environmental Groups representative. Chiggers Stokes would like to continue to hold the Recreational Groups seat.

RECOMMENDATION:

JCPH management recommends the BoCC reappoint John Richmond, Jill Silver and Chiggers Stokes to serve additional staggered 2-year terms on this committee as Jefferson County citizen representatives.
