**RE:** Presentation to BOCC re: 4-H Program update

---

**STATEMENT OF ISSUE:**

Sue Hay, Jefferson County 4-H Coordinator, would like to give an update on the 4-H programs in our county including stewardship, challenge course, maritime, and community clubs. Over 300 county youth have directly benefited from mentorships from over 100 adult volunteers, giving youth an opportunity to experience everything from aerospace to forestry to veterinary science. 4-H appreciates the support the BOCC has given the program and looks forward to continuing to allow youth the opportunities to grow & develop life skills.
