

Jefferson County
Board of Commissioners
Agenda Request

To: Board of Commissioners
Philip Morley, County Administrator

From: Monte Reinders, PE, Public Works Director/County Engineer 

Agenda Date: February 24, 2014

Subject: Recommendation of Award of Contract for Pavement Marking on Jefferson County Roadways for Calendar Years 2014-2015

Statement of Issue:

Public Works staff has completed checking bids opened on February 10, 2014 for Pavement Marking on Jefferson County Roadways for Calendar Years 2014-2015, and finds it to be in the County's best interest to award a Contract to Stripe Rite, Inc. of Sumner, WA at the amount specified in their bid.

Analysis/Strategic Goals/Pro's & Con's:

Bid Award is consistent with the County's goals in that it provides for safety of the motoring public. Signing the attached *Recommendation of Award of Contract* memo authorizes the contract amount.

Fiscal Impact/Cost Benefit Analysis:

Pavement marking services are included in the 2014 Road Operations budget and 2015 expenditure forecast. Estimated Contract amount over the two (2) year period is \$541,014.14.

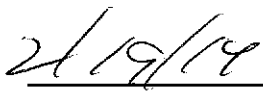

Recommendation:

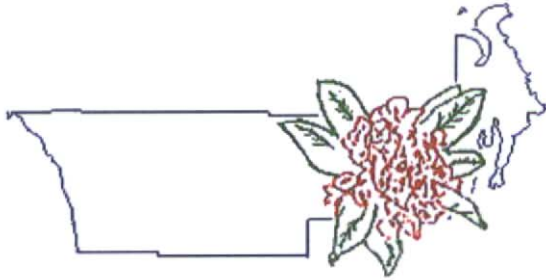

The Board is recommended to award the Contract by the Chair's signing of the attached Memorandum where indicated, and then returning the memo to Public Works for further processing. The Contract will then be returned to the Board for final execution.

MEMORANDUM

To: Board of County Commissioners

From: Monte Reinders, PE, Public Works Director/County Engineer 

Date: February 24, 2014

Subject: Recommendation for Award of Contract for County Project 1801939
Pavement Marking on Jefferson County Roadways for Calendar Years 2014 & 2015

Public Works staff has completed checking the bids opened on Monday, February 10, 2014 for the project referenced above, and finds it to be in the best interest of the County to award the Contract to the lowest responsive bidder, **Stripe Rite, Inc. of Sumner, WA**, for their bid amount of **\$541,014.14**, plus Washington State Sales Tax. This will allow the County to complete this project as scheduled and provide essential pavement marking for the traveling public.

The bid from Stripe Rite, Inc. is 15.6% over the Engineers Estimate of \$468,029.30. Research and examination of both of the bids submitted revealed that a recent trend in increased materials and traffic control costs accounts for the discrepancy between the Engineers Estimate and the lowest responsible bid. Fund balance will be used to cover the additional costs.

Please sign and date this memo below and then return it to Public Works for further processing.

The Jefferson County Board of Commissioners approves bid award to the above-listed contractor.
