The Contractor shall provide to the County Risk Manager certificates of insurance with original endorsements affecting insurance required by this clause prior to the commencement of work to be performed.

The insurance policies required shall provide that thirty (30) days prior to cancellation, suspension, reduction or material change in the policy, notice of same shall be given to the County Risk Manager by registered mail, return receipt requested, for all of the following stated insurance policies.

If any of the insurance requirements are not complied with at the renewal date of the insurance policy, payments to the Contractor shall be withheld until all such requirements have been met, or at the option of the County, the County may pay the renewal premium and withhold such payments from the moneys due The Contractor.

All notices shall name the Contractor and identify the agreement by contract number or some other form of identification necessary to inform the County of the particular contract affected.

The Contractor shall include all subcontractors as insured under its insurance policies or shall furnish separate certificates and endorsements for each subcontractor. All insurance provisions for subcontractors shall be subject to all of the requirements stated herein.

Failure of The Contractor to take out and/or maintain any required insurance shall not relieve The Contractor from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations concerning indemnification.

It is agreed by the parties that insurers shall have no right of recovery or subrogation against the County (including its employees and other agents and agencies), it being the intention of the parties that the insurance policies so affected shall protect both parties and be primary coverage for any and all losses covered by the above described insurance. assessments under any form of policy. It is further agreed by the parties that any and all deductibles in the above described insurance policies shall be assumed by and be at the sole risk of The Contractor.

It is agreed by the parties that judgments for which the County may be liable, in excess of insured amounts provided herein, or any portion thereof, may be withheld from payment due, or to become due, to The Contractor until such time as The Contractor shall furnish additional security covering such judgment as may be determined by the County.

The County reserves the right to request additional insurance on an individual basis for extra hazardous contracts and specific service agreements.

Any insurance coverage for third party liability claims provided to the County by a "Risk Pool" created pursuant to Ch. 48.62 RCW shall be non-contributory with respect to any policy of insurance the Contractor must provide in order to comply with this Agreement.

If the proof of insurance or certificate indicating the County is an "additional insured" to a policy obtained by the Contractor refers to an endorsement (by number or name) but does not provide the full text of that endorsement, then it shall be the obligation of the Contractor to obtain the full text of that endorsement and forward that full text to the County.

The County may, upon the Contractor's failure to comply with all provisions of this contract relating to insurance, withhold payment or compensation that would otherwise be due to the Contractor.

5. The Contractor shall comply with all Federal, State, and local laws and ordinances applicable to the work to be done under this Agreement. This Agreement shall be interpreted and construed in accord with the laws of the State of Washington and venue shall be in Jefferson County, WA.

The Contractor shall indemnify and hold the County, and its officers, employees, and agents harmless from and shall process and defend at its own expense, including all costs, attorney fees and expenses relating thereto, all claims, demands, or suits at law or equity arising in whole or in part, directly or indirectly, from the Contractor's negligence or breach of any of its obligations under this Agreement; provided that nothing herein shall require a Contractor to indemnify the County against and hold harmless the County from claims, demands or suits based solely upon the conduct of the County, its officers, employees and agents, and; provided further that if the claims or suits are caused by or result from the concurrent negligence of: (a) the Contractor's agents or employees; and, (b) the County, its officers, employees and agents, this indemnity provision with respect to claims or suits based upon such negligence, and/or the costs to the County of defending such claims and suits, etc., shall be valid and enforceable only to the extent of the Contractor's negligence, or the negligence of the Contractor's agents or employees.

Claims against the County shall include, but not be limited to assertions that the use and transfer of any software, book, document, report, film, tape, or sound reproduction of material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in an unfair trade practice or an unlawful restraint of competition.

The Contractor specifically assumes potential liability for actions brought against the County by Contractor's employees, including all other persons engaged in the performance of any work or service required of the Contractor under this Agreement and, solely for the purpose of this indemnification and defense, the Contractor specifically waives any immunity under the state industrial insurance law, Title 51 R.C.W. The Contractor recognizes that this waiver was specifically entered into pursuant to provisions of R.C.W. 4.24.115 and was subject of mutual negotiation.

6. The Contractor's relation to the County shall be at all times as an independent Contractor, and nothing herein contained shall be construed to create a relationship of employer-employee or master-servant, and any and all employees of the Contractor or other persons engaged in the performance of any work or service required of the Contractor under this Agreement shall be considered employees of the Contractor only and any claims that may arise on behalf of or against said employees shall be the sole obligation and responsibility of the Contractor.

7. The Contractor shall not sublet or assign any of the services covered by this contract without the express written consent of the County or its authorized representative. Assignment does not include printing or other customary reimbursable expenses that may be provided in an agreement.

8. Nothing in the foregoing clause shall prevent the County, at its option, from additionally requesting that the Contractor deliver to the County an executed bond as security for the faithful performance of this contract and for payment of all obligations of The Contractor.

IN WITNESS WHEREOF, the Contractor has executed this instrument on the day and year first below written, and the Board of County Commissioners has caused this instrument to be executed by and in the name of said County of Jefferson the day and year first above written.
