Public Works Department Fee Schedule Notes

(1) Application Fees are intended to reimburse the Department for its typical expenses related to processing an application. If an application is withdrawn, the unexpended remainder will be refunded. If the Department's expenses exceed the Application Fee, an Hourly Fee will be charged. As an alternative to the Hourly Fees listed above, the Department may assign appropriate staff persons at the following hourly rates:

Engineering Technician I	\$41	
Engineering Technician II	\$47	
Engineering Technician III	\$61	
Engineer I	\$57	
Engineer II	\$57	
Engineer III	\$83	
Right-of-way Representative	\$82	
Development Review Coordinator	\$82	

(2) The Application Fee is intended to reimburse the Department for its typical expenses from application review through approval of the permit by the Board of County Commissioners. An Hourly Fee will be charged for activities after the permit is approved, including plan review, construction inspection, and final review.

(3) If the Department determines that the right-of-way has not been adequately restored, an Hourly Fee will be charged to inspect follow up restoration work

(4) The RID Petition Review Fee is intended to reimburse the Department for petition review and preliminary project management and engineering expenses for a simple RID through establishment by the Board of County Commissioners. As per RCW 36.55.074 Jefferson County will contract with the RID petitioners to reimburse the Department for expenses that exceed the RID Petition Review Fee. RID petitioners shall also submit a Special Benefit Appraisal prepared by a Washington State Licensed Appraiser. If the RID is established, the petitioners will be reimbursed for these preformation expenses from RID assessments.

(5) The Application Fee is intended to reimburse the Department for its typical expenses from vacation petition review through approval by the Board of County Commissioners and filing the Vacation Resolution with the County Auditor. Before the Department files the Vacation Resolution, the petitioner shall reimburse the Department for staff time expenses that exceed the Application Fee and for publishing the hearing notice, copying, postage, and the Auditor's filing fee.

(6) Fees apply to all development review activities by the Department, including application and plan review, construction inspections, and final review.

(7) For commercial, industrial, and multi-family residential redesignations, Major Industrial Developments, and Master Planned Resorts

(8) To attend Department of Community Development Pre-application Conference for Binding Site Plans, commercial and industrial Building Permits, Conditional Use Permits, Special Use Permits / Essential Public Facilities, Subdivisions, and Comprehensive Plan Site Specific Amendments for commercial, and industrial redesignations, Major Industrial Developments, and Master Planned Resorts

(9) For commercial and industrial developments
