

# JEFFERSON COUNTY DEPARTMENT OF PUBLIC WORKS

## Our Mission:

Our Mission is to provide Public Works Products and Services to enhance the quality of life in Jefferson County through leadership and objectivity, with technical and professional expertise.

## Vision:

Become a Model Public Services Provider in the State for:

- Technical, Engineering, and Architectural Excellence
- Safe, Efficient Transportation System
- Sanitary, Safe and Accessible Solid Waste Disposal
- Safe, Healthful, and Integrated Community Services through Park and Recreation Programs and Facilities Management

Create a Spirit of Community Partnership to Accomplish Shared Goals

Create a Positive, Accountable Working Environment which Empowers Individuals and Teams to Function at their Best

Function with Technical Excellence, Fiscal Responsibility and Human Sensitivity in all Our Intentions

## Our Values/Culture:

We Commit to Creating a Positive Working Environment which:

- Empowers, Inspires and Rewards Individuals and Teams to Function at Their Best in Serving Our Mission
- Encourages Creativity, Innovation and Participative Decision Making
- Fosters a Spirit of Partnership and Spontaneous Teamwork inside and outside our Department
- Promotes Quality Products and Services Valued by our Public
- Reinforces Accountability and Stewardship in all our Actions
- Demonstrates Active Commitment to the Following Core Values
