In the Matter of Adoption }
of the Six-Year }
Transportation Improvement }
Program for 2011-2016 }

RESOLUTION NO. 45-10

WHEREAS, State law obligates the legislative authority of each county to adopt on an annual basis a six-year transportation improvement program, holding a public hearing prior to adoption, the purpose of which is to "assure that each county shall perpetually have available advanced plans looking to the future for not less than six years as a guide in carrying out a coordinated transportation program" (RCW 36.81.121(1)), and;

WHEREAS, the Board of County Commissioners, Jefferson County, State of Washington, has reviewed the transportation priority array and bridge condition report as prepared by the Department of Public Works, and has conducted a public hearing on the corresponding proposed six-year transportation improvement program;

IT IS HEREBY RESOLVED that the Board of County Commissioners does approve and adopt the Six-Year Transportation Improvement Program for the years 2011 through 2016, inclusive.

IT IS FURTHER RESOLVED that, with respect to the items listed in the Program, the County Engineer is authorized to make revision to individual project scope, length and termini, timing, and funding sources, as may be required from time to time due to additional resources becoming available or unavailable and in accordance with RCW 36.81.130 and WAC 136-16, without the Board of County Commissioners having to conduct a public hearing or adopt a resolution to amend the Program.

ADOPTED and signed this 18th day of October 2010.
