Judge  Court Clerk  Attorney/Barrister  Court Recorder

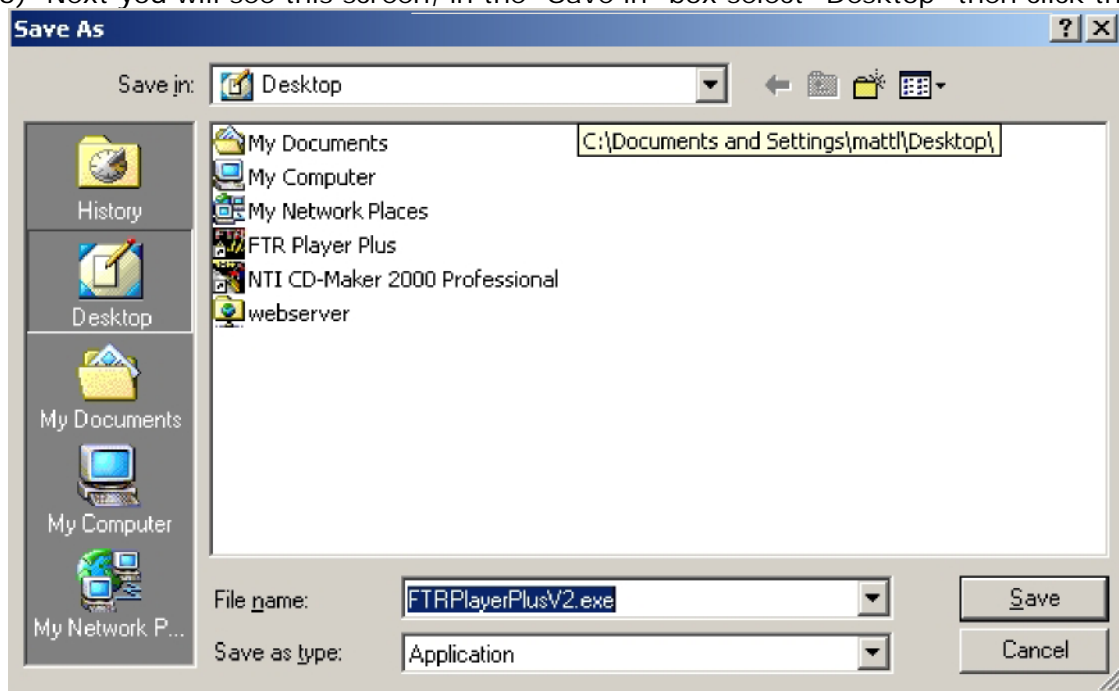

Administrator  Transcriber  Other

3) The program will automatically start downloading

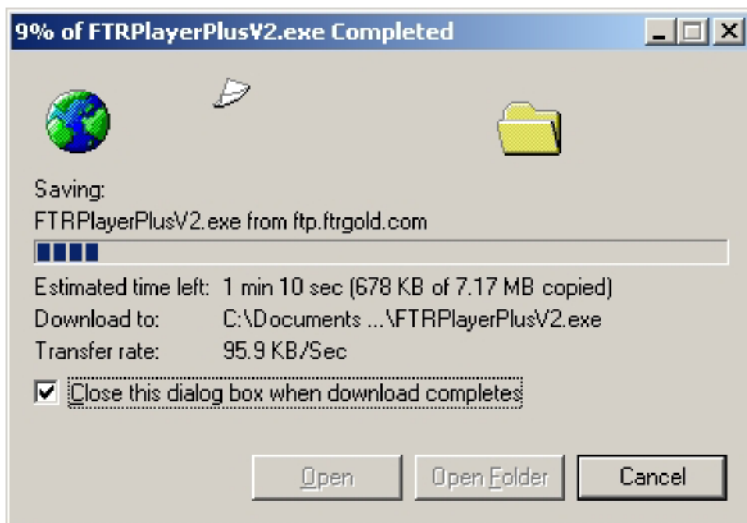

4) You will see this screen, choose "Save this program to disk"

6) Next you will see this screen, in the "Save in" box select "Desktop" then click the "Save" Button

7) The last screen you will see is the downloading indicator. Once the download is complete it will disappear

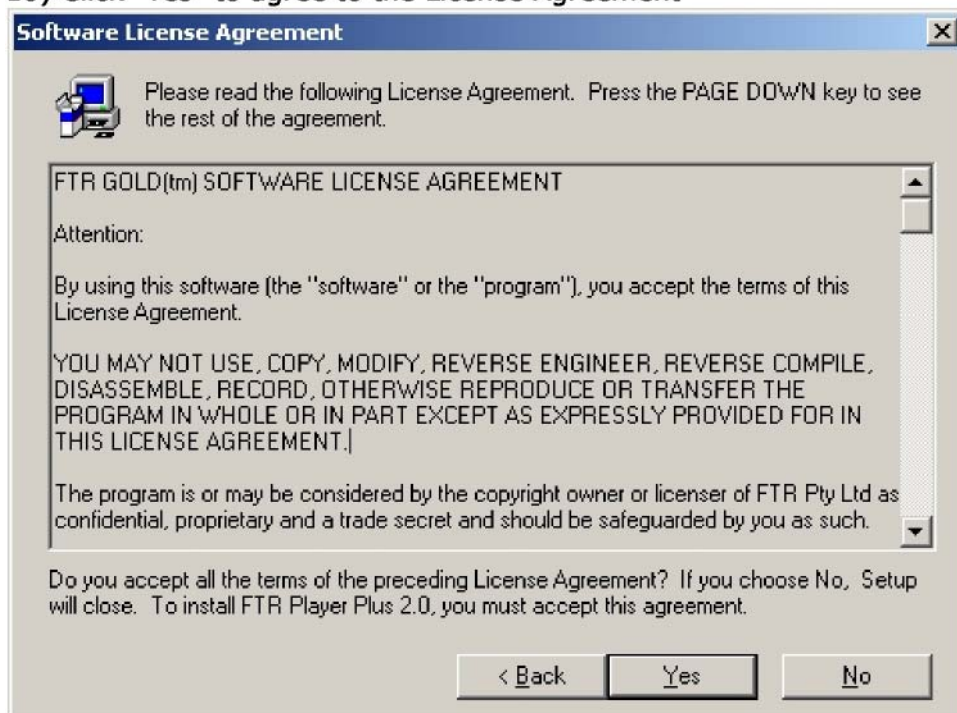

8) On your desktop you should now have an icon called "FTRPlayerPlusV2.exe" Double click the icon to install the FTR Player.

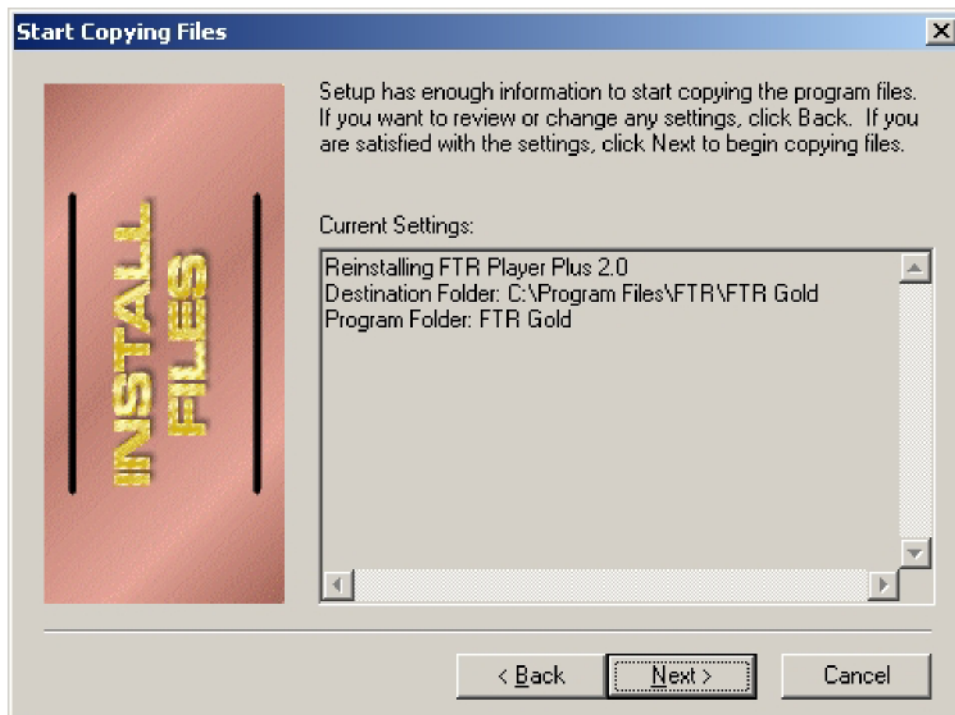

9) When the install begins you will see this screen just click the "Next" button.

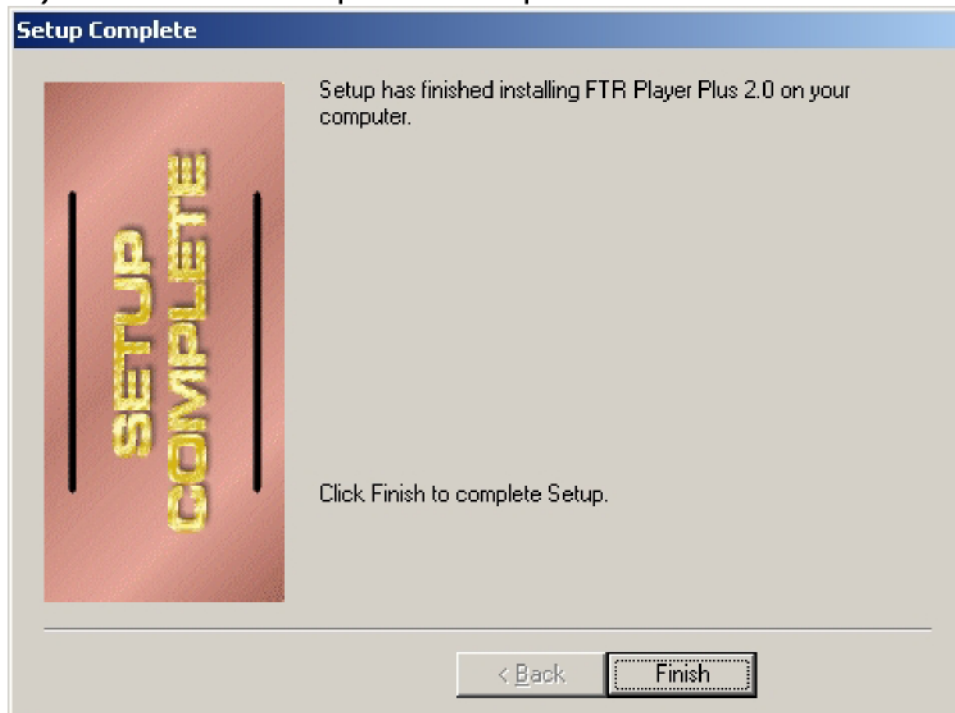

#### 10) Click "Yes" to agree to the License Agreement

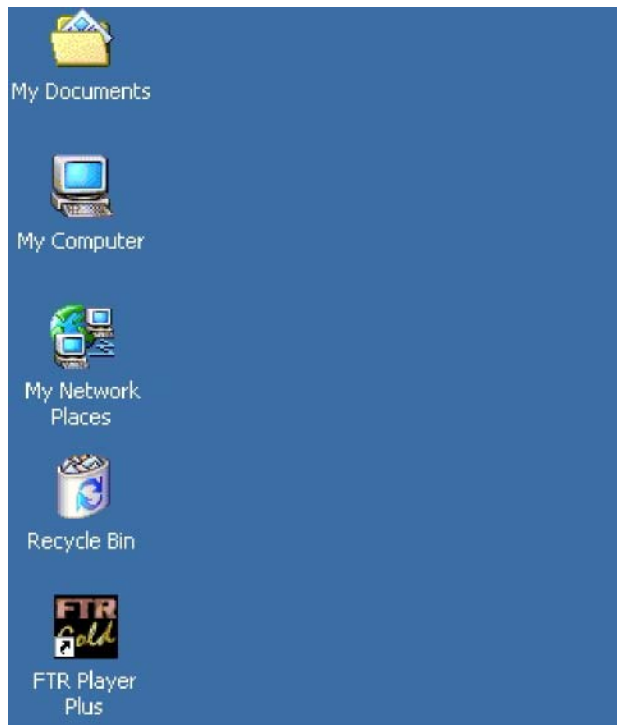

#### 11) Then click "Next"

12) Click "Finish" to complete the setup

13) To start listening to your court session insert the CD given to you by the courts. Then Double click the "FTR Player Plus" icon on your desktop.

To select a specific day of audio, click on the file folder and browse to your CD drive, click on a day and press OK. FTR CD Player updates the description and duration.

To play the audio, press the play arrow >. To stop the playback, press the square stop button.

To locate a specific time within the audio, press the fast forward button or the rewind button until the desired time is displayed in the current playtime field.

To adjust the playback volume level, drag the volume marker at the far right of the player up or down.

Note: you must close the program before ejecting the CD.
