

PRINT ON BRIGHT ORANGE PAPER - FOLLOW DIRECTIONS ON LABEL

*AVOID INJURY FROM NEEDLES - BE SAFE WITH SYRINGES!*

**WARNING: SYRINGES**  
**DO NOT RECYCLE**  
Keep out of reach of children!

- Label:** Apply this label securely to an empty, clear two liter plastic beverage bottle.  
**Store:** Carefully place used syringes & lancets into the labeled bottle until container is 3/4 full.  
**Seal:** When 3/4 full, secure the lid by putting tape over the closed bottle cap. Make a small hole in the neck of the bottle to prevent pressure build up in garbage trucks.  
**Dispose:** Dispose of the bottle in a household garbage collection can just under the lid. To limit potential exposure to other people and animals, place it in the can as close to your scheduled garbage collection time as possible.
