

**JEFFERSON COUNTY PUBLIC HEALTH – PLANNED PERFORMANCE MEASURES 2022-2023
INTELLECTUAL/DEVELOPMENTAL DISABILITIES – INDIVIDUAL TECHNICAL ASSISTANCE PROGRAM**

MISSION: The mission of the Intellectual/Developmental Disabilities *Individualized Technical Assistance Program is to assure that citizens with Intellectual/Developmental Disabilities in Jefferson County have the choice, opportunity and support to achieve inclusive and productive participation in community life. *Employment in the community brings benefits to people in terms of opportunities to build relationships and to be seen as a contributing member of society.*

This department implements the following strategic objectives:

- Provide advocacy, vision and leadership regarding relevant policies, plans and services to achieve the mission.
- Identify new funding sources as State revenue shifts from the Jefferson County I/DD Program, to maintain quality services for all people with intellectual/developmental disabilities.

Goal	Objective	Task	Performance Measure	2018 Actual	2019 Actual	2020 Actual	2021 Expected	2022 Projected
Goal 1: Identify and address existing barriers to employment through individual assessment and consultation for each identified participant, in order to assist them along their “Pathway to Employment” to competitive gainful employment.	Address existing barriers through employment with individual consulting.	Provide technical assistance to a client to move further toward gainful employment.	# of clients who received technical assistance	3	3	3	3	3
