

Jefferson County Department of Emergency Management

Community Situation Report

2020 COVID-19 Pandemic

April 1, 2020

Lots of people are asking—what can I do to help? There are lots of ways to get involved and help your community during this difficult time.

One of the easiest ways to help is to simply reach out to your neighbors and ask if they might need help, especially if you know them and know they might be having a difficult time. Put a note in their mailbox or by their front door offering to pickup groceries or help with other needs. There are also lots of groups on NextDoor and Facebook where you can find ways to help or, if you live in a Local 20/20 Neighborhood Preparedness (NPREP) Group, reach out to your Block Captain or leader.

If you want to help:

OlyCap is always looking for additional assistance and you are encouraged to fill out a volunteer form on their website: <https://www.olycap.org>

Do you have specialized skills and want to help at the Department of Emergency Management? Are you a retired doctor, nurse, EMT, police officer; have a food-handler’s card, etc.?

Fill out DEM’s volunteer form and help in our efforts: <https://www.co.jefferson.wa.us/1450/VolunteerHow-to-Help>

Want to make masks for other community members? Click on the link above for information.

If you can’t volunteer, you can donate to OlyCap’s COVID-19 fund. Log on to <https://www.olycap.org> Click on the red box on the opening page.

If you need help:
