

Jefferson County Environmental Public Health offers qualified applicants assistance with repair/ replacement costs for their septic system.

#### Fine Print

- ✓ Cost share funds may not exceed \$20,000.00 for one property.
- ✓ Property must be owned by the applicant.
- ✓ Professional determination that the system is failing or at risk of failing.
- ✓ Funds are limited and available on a first-come first-served basis.
- ✓ State and local regulations require regular monitoring of septic systems—every three years for conventional gravity and annually for systems with a pump.

## COST SHARE PROGRAM

If you meet the eligibility requirements, you can obtain an application online or pick one up at our offices—see address below, or call us and we will mail you one.

⇒ **Are you eligible?** If you answer yes to the following:

- Does your household income qualify based on the table in this brochure?
- Is your property close to the shoreline or near a stream that flows to the shore?
- Is your septic system permitted and has it been evaluated as failing or failed by a certified professional?

⇒ **How do I apply?**

- Complete an application and return to:

Jefferson County Environmental Public Health
